

Newport News Child Advocacy Team presents...

REMEMBER BACK IN THE DAY CELEBRITY LUNCHEON

This event is in support of child abuse prevention efforts throughout the City of Newport News. The Child Advocacy Team was established in 1975 to spread awareness on the prevention, recognition, and service delivery for all victims of abuse. Funds raised at this event will help support local programs for prevention efforts. This will be a fun-filled event that will highlight all of the outstanding efforts in our community to provide support to children and families. We will also take you back in time to your favorite era of the 1960's drive-in, 1970's disco nights, and the 1980's punk rock and new jack swing.
